MEMBERSHIP RENEWAL

1987 Rates for Membership of the British Interplanetary Society.

			U.S.
Corporate status			
Fellows and Members*	. . . . .	£28.00	$42.00
Non-Corporate status			
Members	21 years of age and over	£22.00	$33.00
Members	under 21 years of age	£18.00	$27.00

* *Members whose date of election is earlier than 31 December 1985 have Corporate status. All such persons of 21 or more years of age will automatically be considered for transfer to Fellow on renewal.*

A Special Reduction of £6.00 ($9.00) is offered on renewal of membership to Members and Fellows who are 65 years or over. This may be entered on the form below.

Publications. Members of all grades are entitled to receive free of charge by post one of the Society's publications, or to receive both *JBIS* and *SPACEFLIGHT* at a special additional subscription rate of £20.00 ($30.00).

Tax Concessions. UK taxpayers are reminded that subscriptions to the Society, including those for publications, are an allowable deduction against income for tax purposes if this can be related to their employment. Overseas members should note that the Society is a recognised Charity and that they may be permitted to count the whole of their payment to the Society as tax deductable.
